Want to get involved?

We always need folks to help present or co-lead at meetings, as well as tell us what topics they'd like us to focus on. If you'd like to help out or want to share an idea, please contact one of the members of the leadership team.

What we've been up to...

November was a great month. The annual T-Giving event was well attended, and Transmen Empowerment hosted a very successful community Thanksgiving potluck. We have submitted our 501c3 application and should receive a reply in a couple of months. We are very excited about the opportunities that will open up for the group. We have continued to meet with TGQH for monthly game nights. These are a lot of fun and we hope to see you all there! Lastly, TMAH president George Zemanek was interviewed for the December issue of Outsmart Magazine about the history of the group. [Check it out here](#)
