What we've been up to...

Shout out to PJ Scott for his excellent presentation on dressing for success. The group learned about different cuts of clothing, ways to work within a budget, and how to express our individuality. The clothing swap was equally awesome. We had so many donations. 14 volunteers helped with the event on Friday and Saturday and we had 43 shoppers. Leftovers went to Out of the Closet in Montrose. Lastly, PJ joined the board as secretary. Nexus cycled off as vice president and is focusing on school. Thanks PJ and Nexus for helping TMAH be a success.

This Month's Spotlight

Benefiting AIDS Healthcare Foundation

Out of the Closet Thrift Store (OTC) was founded in 1990 to help raise funds and awareness for AIDS Healthcare Foundation. To this day, when you shop or donate at Out of the Closet, 96 cents of every dollar made goes to AIDS Healthcare Foundation's HIV prevention and treatment services. That's why OTC is able to offer high-quality HIV testing services at all of our locations. When you choose OTC, you're giving back to your community and making a real difference in the fight against HIV and AIDS.
