## What we've been up to...

The Trans Day of Visibility Rally on April 2<sup>nd</sup> at the Montrose Center was excellent. Members of our leadership team networked with other Trans support groups, and it was awesome to see such an amazing array of gender expansive people supporting one another. Our April 4<sup>th</sup> meeting was different in its format. We had a last minute speaker cancellation, so Kennedy Loftin and Anya Tsang, the new Trans Wellness Program Manager at the Montrose Center, stepped in to put together a wonderful presentation of Montrose Center services, along with a comprehensive tour of the facility. Thanks Kennedy and Anya!
