Want to get involved?

We always need folks to help make our meetings, projects, and events happen. Please email us or fill out the [Volunteer Form](#).

What we've been up to...

Our August 1st meeting on reproductive healthcare and your rights was an overwhelming success, with presenters covering an array of topics including abortion access, long term fertility issues, and accessing reproductive healthcare. Email us to obtain a recording of the meeting. We are recruiting volunteers to help with our table at Woodlands Pride on October 12th and Katy Pride on October 19th. We will be sharing information about the group and selling t-shirts at the events. Text George at 281-827-5350 if you'd like to help.

T shirts are available for purchase at any of our meetings and events. They are \$10 and come in white, blue, and tie dye.

Upcoming Events

September 5th 6:30-8:30pm

Being out as trans Many of us are comfortable with others knowing we were not assigned-at-birth as the gender we currently present as. Others choose to go 'stealth' after transitioning and present as if they are a cisgender man. No answer is wrong, and the reasons for either choice are complex. Come join us for this discussion of why we choose to be out or not.

September 9th 8-10pm Virtual Hangout

Virtual Hangout on the voice channel of Discord.

September 19th 6:30 – 8:30 pm Game Night

Room 106, Montrose Center. Bring board games, snacks, and non-alcoholic drinks. Bring a friend/partner/sibling too!

Changes to Gender Marker Rules

As of August 20, 2024, the Texas Department of Public Safety (DPS) no longer accepts court orders or amended birth certificates to change the gender marker on a driver's license or state ID. This means that transgender people in Texas are no longer able to change their gender on their state-issued IDs or driver's licenses. All In For Equality held a webinar on August 27th to address this issue. Information on the ruling continues to develop.
