What we've been up to...

Our October meeting on Trans Rights and the Texas Legislature was incredible, with over 40 participants. Meghan Fairbanks spoke at length about the latest changes in name and gender marker changes, allayed some of our fears, and answered questions. Email us to receive a recording of the presentation. Rock the Trans Vote was a blast, with a large group of us meeting for dinner then voting as a group. There are many events in November. See page 2 for more information.
