What we've been up to...

Welcome to almost 2025! December was a fun month, with our annual white elephant gift exchange and a lively meeting about holidays with family. We've made a few changes to our programming for 2025. We discontinued the virtual hangouts on Discord due to low attendance. We are also using an online form for people to sign up for the newsletter and to volunteer for events. [Sign up here](#). Our annual All Community Clothing Swap is coming up at the end of February, so start cleaning out your closets. More details to come.
