Leadership Team

George Zemanek, president

Ben Zimmerman, vice president

Al Mahlstedt, treasurer

Myles Steelman, social chair

Want to get involved?

We always need folks to help make our meetings, projects, and events happen. Please email us or talk to any of our board members for more information.

What we've been up to...

We're easing into the summer and have some fun things coming up. First, special thanks to Brian Klosterboer from the ACLU, who led our May meeting and spoke about current legal challenges facing transgender people. Links to resources are down below. We're also pleased to announce that Al Mahlstedt has recently joined our board as treasurer.

Upcoming Events

June 5th, 6:30-8:30pm Support Meeting: Trans Hardware

Room 111, Montrose Center.

Ben Egan will lead a discussion and show and tell of packers, STPs, and other gender affirming devices.

We invite our members to bring their own devices, ideas, and information to share.

June 19th, 6:30 – 8:30 pm Game Night

Room 106, Montrose Center.

Bring board games, snacks, and non-alcoholic drinks.

Bring a friend/partner/sibling too!

There have been some issues with the door. If you are locked out, please call George at 281-827-5350.

Announcement about Game Night and TGQH Social

Do you regularly attend TMAH's Game Night and/or the TGQH monthly social? Both George Zemanek and Meghan Fairbanks are hoping to take a step back so that others in the community can share their leadership and organization skills by taking over our roles in these monthly activities. Requirements are that you must have reliable transportation, a work schedule that ensures availability, and commit to one year. We will work with our successors to ensure a smooth transition. Email transmasculinehouston@gmail.com if you are interested.

The poster features two decorative rainbow swirls. One swirl starts in the top right corner and loops downwards. The other starts on the left side and loops upwards. Both swirls are composed of multiple overlapping lines of the rainbow colors: red, orange, yellow, green, blue, and purple.
