## What we've been up to...

Our November meeting was presented by Annette Zimmerman and covered a variety of confidence building techniques and strategies. This was an awesome presentation that allowed for self-reflection and real-world applications focused on empowering us to reach our full potential. Thanks Annette! The Montrose Center hosted T-Giving again this year, with over 200 people attending. This was a great experience for everyone. There are a lot of activities coming up in December, including our annual white elephant party.
